

**Items of Interest.**

The richest man in Vermont only nets up a trifling over \$100,000.

May day is a very popular trimming season in the forests and cloaks.

Fearfully all the old spinning women's fingers are worked by Chinamen.

Mr. Moody says that "the devil goes through more regularly than any."

Three Michigan editors have left their posts for the pulpit during the last year.

In 1874 in the cemeteries near New York 28,608 people were buried. As to the cause of death, 1,107.

At the strike of the Sydney (N. S.) coal miners is over, and the men have returned to work at the reduced wages.

The recorder at Montreal sentenced one of the rioters at the city hall to six months' imprisonment each at hard labor.

New York city authorities are trying to break up the lottery business by arresting all the small ones and letting the big ones go.

The best ball mania is prevalent in Kentucky and the Nelson word says "the girls at school join to me to use the unice."

May, if he lives till that time, Pio will be the oldest of the fifty-five university consecration as a bishop in the arch of which he is now the head.

A worried young lady hastened the mixture of a tedious lady by remarking "I am not a woman."

The British court of common pleas

des that a person formerly a proctor's  
now living mainly on an allowance  
from his wife, legally may describe  
himself as a "gentleman."

A hunter of Brainerd, Minn., while  
in the woods recently, discharged  
gun to clear out the barrel, and in-  
quired to him a fine duck happened to be  
strange and was shot through the  
t.

Young ladies who are accustomed to  
the newspapers are always ob-  
serving the most winning ways, most  
of the disposition, and the most  
wives, and always select good hus-  
bands.

When a French army officer is con-  
fronted by a fellow his equities are torn  
up, and his sword is broken, nearly making  
himself from the ranks and kicks him,  
and that the civil authorities take care  
of him.

One day they built a church at Claren-  
in Canada, was that the gentlemen  
for the building, the young men

the pulling and furnishing, the  
for the beds, and the young  
for the lamps.

As Vienna academy of sciences, says  
Natura, is occupied with a question  
of the origin of the world, the  
the abundance of the quantity of water in  
rivers, and watercourses, which  
taking place to such an extraor-  
inary extent.

And cannot thou always love me  
as I do," she murmured. "even when  
I have crept upon me and left his  
arms round me, and his lips on my  
was only momentary, when he re-  
turned in a tone of deep remembrance,

"Modern journalist, whose wife has  
descended him with twins, and who,  
his reason, was compelled to neglect  
paper for one day, wrote, the day  
after, to the editor of the paper, that  
he to issue our paper yesterday in  
sequence of the arrival of two extra

Editor—"What can you say of the  
of law of thought?" Student—"It  
it both be and not be. For ex-  
the door over there must be  
be shut or open, but not both  
and open. Student—"Give another  
illustration." Student—"Well, take the

**Detroit Free Pressings.**  
 Jack Twain was disappointed in  
 the Falls. That's because he did  
 not ever them.  
 The governor says her governor the same  
 Michigan says here, and yet  
 the governor is a little bit of a man  
 as voice at all.  
 A Canadian hotel keeper says that if  
 he wishes a chair and puts it in his  
 on everyone who comes in is sure  
 for the seat, no matter how  
 others are.  
 Late Mr. Astor didn't believe in  
 clothes, and he was worth \$45,000.  
 Those of us worth only a million  
 have a good excuse now for wear-  
 ing a year's overcoat.

As the men began to get up, they were surprised to find that the men who were engaged in the struggle were not the same as the men who were engaged in the struggle.

persons concerned in trade, that will from "Philadelphia to New York" set out but once a fortnight in winter season, this is to give that the New England mail will go once a week the year round, and answers obtained to letters from Philadelphia in two or three weeks, which need in the winter to six weeks. By command of the War General.

WM. FRANKLIN, Comptroller.

**Look Out for Fires!**

At this time look out for fire as much as ever. The danger might have been prevented by a timely cure, is never an untimely cure, but it is especially timely at this season of the year. The fire apparatus and that which has imperfect or untrustworthily by

surrounded their p  
pel them to retreat  
would fire a shot,  
to his brother, and  
the market while  
By the time it was  
low would fire aga  
to his brother and  
killed two men or  
wounded three, th

If you have ever  
 laur, you know the  
 rise almost perpetually  
 many places from  
 these cliffs the Fre  
 tely impossible to  
 enemies were in  
 change of position  
 They had to ch  
 their enemies or ju  
 ly down the cliff 7  
 There seemed to b

the matter, for the  
of armed men be-  
however, as they t  
gan to rush down  
ter were so utter  
wheeled and ran,  
bled better skelter.

A bullet from t  
nailed one of the  
fellow whose "nan  
wounded and forse
